The Hon’ble Court took note of Vistra’s submissions related to the Impugned Order passed by SAT without hearing Vistra, which has prejudiced Vistra’s interests in the shares of Reliance General Insurance Company Limited (RGIC) being charged to it. Accordingly, the Hon’ble Court directed Vistra to file necessary documents/filings relating to the actions pending before the DRT, Bombay High Court and SAT matter, thereby suggesting that there may be merit in further hearing this appeal. <p><b>November 2020</b></p>	<p>The Hon’ble Supreme Court disposed of the Civil Appeal vide its final order dated 5<sup>th</sup> November 2020, Under its Final Order, the Hon’ble Supreme Court held that the February Order pertains only to the dispute relating to violation of Section 6A(4)(b)(iii) of the Insurance Act, 1938. It was further clarified that the February Order passed by this Hon’ble Tribunal is restricted only to the point relating to violation of Section 6A(4)(b)(iii) of the Insurance Act, 1938. Pertinently, in addition to the foregoing</p>

	<p>observations, the Hon'ble Supreme Court also specifically clarified that any proceeding initiated by the Applicant for redressal of its grievances against the Appellant or any other parties in relation to the shares herein shall be decided on its own merit. It is notable that vide its order dated 5<sup>th</sup> November 2020, the Hon'ble Supreme Court has, in effect, clarified the point that the rights of IDBI Trustee as a debenture trustee over the RGIC shares are subject to the proceedings before the Bombay High Court, and to that extent the orders passed by SAT cannot create any better right in favour of IDBI Trustee or the debenture holders, pending the adjudication of the issues by the appropriate forum, i.e. Bombay High Court.</p> <p>Based upon deliberations in meetings amongst the members of the Steering Committee, Debenture Trustee has been involved in discussions with various independent valuer(s) for a valuation exercise to be undertaken for the subsidiaries/investments of RCL. <b>July 2021</b>	<p>Con call of steering committee was held on 9<sup>th</sup> July 2021 and 16<sup>th</sup> July 2021 during the month</p> <p>On 1<sup>st</sup> July 2021, we were approached by RBI members to provide an update on the matter, relevant update was shared with RBI</p> <p><b>Interim Application:</b> An interim application was filed seeking interim reliefs against the defendants, including against sale of the RGIC shares by IDBI Trustee in Bombay High Court.</p> <p>Acting on the instructions of the Steering Committee of Debenture Holders, Vistra had filed an interim application at the Bombay High Court with a request to allow monetization of RGICL shares on an urgent basis and keeping the proceeds of the same in a separate account, from where the distribution will take place subject to outcome of the ongoing litigations. The said application was heard on 4<sup>th</sup> August 2021, wherein the hon'ble judge, pursuant to various enquiries and hearing arguments for both sides, observed that in the interest of all the parties involved (and without prejudice to the merits of the captioned suit), the court was inclined to allow the sale of RGIC shares in order to monetize the asset for recovery of the outstanding dues. In order to maintain neutrality, the court suggested that the sale could be carried out by a third party process manager under the supervision of the court.</p> <p>The judge also agreed with Vistra's submissions that an early asset monetisation process is in the interest of Vistra and non-cooperation by CS/IDBI Trustee could affect the valuation of RGIC shares. However, he was not inclined to support a sale process either by Vistra or IDBI Trustee since he felt that there is a lack of confidence of Vistra in any process run by IDBI Trustee and vice versa. Further, the judge felt that the competing claims may also affect the overall value of the RGIC shares. Therefore, the judge, as a via media, has recommended that the sale process be carried out through a competent neutral process manger, who would be appointed and supervised by the court with visibility to all interested parties.</p> <p>The Hon'ble Judge agreed with this suggestion and requested the parties to provide suggestions of experts (with avid subject matter knowledge) who can carry out the sale process of RGIC shares.</p> <p>The next date of hearing -18<sup>th</sup> August 2021</p> <p>Vistra informed SEBI and rating agencies with regard to default in interest/maturity payment and stock exchange for default in maturity payment by RCL (INE013A08333, INE013A08341, INE013A08358, INE013A070C6, INE013A075C5 and INE013A07QJ9)</p>

	<p>Vistra's rejoinder in response to RCL's additional affidavit has been filed before the Bombay High Court on 23<sup>rd</sup> August 2021</p> <p>Draft minutes of the Order passed on 4<sup>th</sup> August 2021 by Bombay High Court were circulated between the members of steering committee for finalisation.</p> <p>The matter was heard on 26<sup>th</sup> August 2021 wherein we informed the court that the parties will have to liaise with each other and discuss with their respective lenders the appropriate way forward in light of what had fallen from the court. For this purpose, our counsel requested that the matter be kept after a few days. In response, the court indicated that it would not be available for judicial work between 30<sup>th</sup> August 2021 and 9<sup>th</sup> September 2021 and Vistra may approach the court thereafter, for a listing.</p> <p>In the last hearing in the matter dated 27<sup>th</sup> August 2021, Counsel for RCap raised several objections against passage of any order for the sale of RGIC shares by the mutual process of Vistra and ITSL/CS.</p> <p>Upon perusal of the minutes submitted by the parties, the judge observed that he had recommended that Vistra and ITSL/CS should aim to arrive at a mutual understanding outside the court, with respect to the sale of RGIC shares, and not a process enforced via court.</p> <p>There is no next date of hearing given in the mater by the Court.</p> <p>Con call of steering committee was held on 9<sup>th</sup> August 2021, 11<sup>th</sup> August 2021, 13<sup>th</sup> August 2021, 17<sup>th</sup> August 2021, 19<sup>th</sup> August 2021 during the month</p> <p>Vistra informed SEBI and rating agencies with regard to default in interest/maturity payment and stock exchange for default in maturity payment by RCL (INE013A077C1, INE013A07A66, INE013A07QQ4, INE013A070D4, INE013A08135, INE013A07QY8, INE013A075D3, INE013A07QX0)</p>
